COMPANY INTRODUCTION

Established in 2000, the Yuhuan Tailian Metal Production Company is a premier manufacturer and supplier of a large range of domestic sink, bath and shower drain products. The City of Taizhou, is located in the central coastal region of Zhejiang province. This convenient location allows us to deliver goods to the port quickly.

Having successfully navigated our way through a difficult financial climate over recent years, our strict quality control and systematic management have played a huge part in the success of the business. Our customers' satisfaction is paramount to us and we endeavour to ensure that everyone who contacts us receives the service that we pride ourselves on.

Using state of the art production equipment, our experienced staff can design and manufacture superior high quality products. Working together with our clients, we are constantly creating new product lines, to satisfy an ever changing market.

Tailian has adopted a core policy of "quality and reputation is the goal of the company" and our diligent staff are always striving to achieve this aim in order to expand and develop the company into an ever growing market place.

WHY CHOOSE US?

1

As a company we have been trading since 2000, we have confidence in our quality and service, we deserve your trust.

2

We do OEM & ODM, we allow our new clients to start with small orders, and free samples are available.

3

All the orders and contacts will get a prompt reply and will be processed quickly.

4

As a manufacturer, we guarantee to offer the most competitive price to our clients.

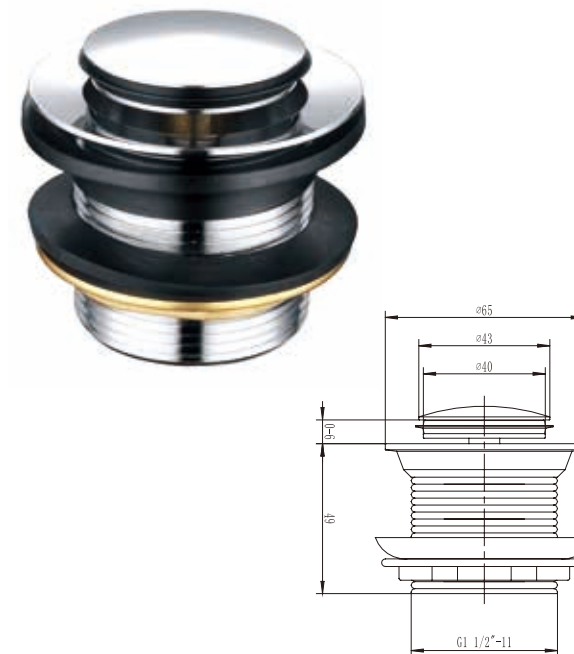

5

We love what we do, some may say a bit too much, and we bring our enthusiasm and commitment to every order we process. Put simply, if you want a partner who cares about your business, choose Tailian.
